PUBLIC PARTICIPATION IN BOARD MEETINGS

The board recognizes the importance of citizen participation in school district matters. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the board shall set time aside for citizen participation, either at a specific time during the meeting or during the discussion of agenda items. The board has the discretion to limit the amount of time set aside for public participation.

If the pressure of business or other circumstances dictate, the board president may decide to eliminate this practice at a particular meeting. The board president will recognize these individuals to make their comments at the appropriate time. The orderly process of the board meeting shall not be interfered with or disrupted. Only those speakers recognized by the board president shall be allowed to speak. Comments by others are out of order. If disruptive, the individual making the comments or another individual causing disruption may be asked to leave the board meeting.

Citizens wishing to present petitions to the board may do so at this time. However, the board will only receive the petitions and not act upon them or their contents.

Subjects for comment should involve areas within the board's proper responsibility. Discussion on unrelated matters is to be discouraged.

Individuals who have a complaint about employees may bring their complaint to the board only after they have followed board policy addressing citizens' complaints. Students who have a complaint may only bring their complaint to the board after they have followed board policy addressing students' complaints.
