POLICY REVIEW AND REVISION

The board will review, update and approve the policy manual annually.

It shall be the responsibility of the superintendent to keep the board informed as to legal changes at both the federal and state levels. The superintendent shall also be responsible for bringing proposed policy statement revisions to the board's attention.

If a policy is revised because of a legal change over which the board has no control or a change, which is minor, the policy may be approved at one meeting at the discretion of the board.

Board Policies and Administrative Procedures which have outlived their usefulness can be eliminated by specific identification on the agenda of one meeting, discussion, and re-introduction at the immediately following regular meeting, at which time a majority vote of the Board members can eliminate the item/s from the records.
