
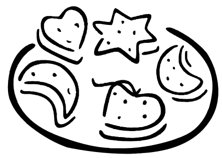
Roosevelt Elementary School Newsletter December 2007

Dear Parents and Guardians,

The month of December is indeed a wonderful time to come and visit your child in school. The halls and classrooms are decorated for the holiday season. Although a busy time of the year, it is the most rewarding time for teachers as we see significant growth and progress in the academic areas. The semester will end on December 21. I will stress the importance of good attendance. Classes will resume on Monday, January 7. Good Citizenship Awards for the second nine weeks will be presented as part of our December 19 all school assembly. A special holiday treat is planned for the morning of December 21. We will be taking the children to the Midwest Theater for the movie, Polar Express. We sincerely appreciate your support during the first semester and look forward to working with you in 2008.

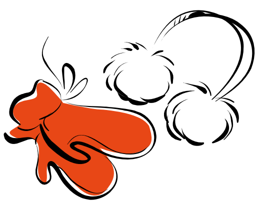
Nora Porupsky, Principal
Staff of Roosevelt Elementary



Booster Club Fundraising
Delivery of cookie dough and pies are expected for the week of December 10th. Students and parents will be notified of pick up times.

SPECIAL NOTICE:

There will be a Migrant Parent Meeting on Thursday, December 6 at 5:00 p.m. in the school library.



Brrrr, brrr, brrr! The cold weather has arrived. Please be sure your child is dressed for the winter weather. We are outside for recesses—fresh air and a bit of exercise is an important part of *constructing* a healthy mind and body.

Santa Christmas Stocking Wish List

Santa wishes for stocking stuffer ideas include: word search puzzles, new crayons, markers, puzzles, flashcards, and pencils.

Platte Valley Bank Employees **will be sharing their holiday spirit with our students with a special activity on December 21. Shhhhh…..don't tell…..it's a secret. Thanks PVNB!**

The Roosevelt Student Council will be sponsoring an all school gift of generosity project. We do not have a Christmas gift exchange. Rather, in the spirit of giving, our council will be sponsoring an act of generosity towards others in our community. Watch for the Student Council Project of Giving! It is always good for children to learn to give so that others may receive.
