

# Lincoln Heights Newsletter

NOVEMBER 2016

## UPCOMING EVENTS

## PTO Fall Fundraiser

The PTO Fall Fundraiser will arrive Thursday, November 3<sup>rd</sup>. Each student will have a box with the items they sold. Please make sure all items are delivered in a timely manner. If your child has more than one box you may be asked to pick up the order at school. Please call if you have any questions. 308-635-6252

### 2nd Grade Music Program

November 10<sup>th</sup>  
6:30

### 1st Grade Music Program

November 17<sup>th</sup>  
6:30

**Oh...the weather outside is frightful...**The policy at Lincoln Heights Elementary is for students to go outside for recess and before school, unless the temperature drops below zero—wind chill included. Children should dress appropriately for the cold.

## ONE KIND WORD

can change  
someone's  
entire day

The Golden Rule

### PTO/Site Council

November 8th

5:30

at [jbaucum@sbps.net](mailto:jbaucum@sbps.net) with any Bridges questions or concerns.

Here are some ways parents can **help their kids connect and practice math in "real life."**

1. Have your child count down the time (weeks, days and/or hours) to a special day or holiday
2. Have your child measure ingredients for a recipe you are making
3. Encourage your child to track or graph scores or stats for a favorite sports team
4. Ask your child to count the change at the grocery store, or to estimate the total cost while you are shopping.  
Or, with older kids, to help track the family budget.
5. Explain what you're doing whenever you use a measuring tape, a scale, or a ruler. Ask for your child's help.

**Here's your nightly math!**

(Same idea as a Bedtime Story)

Just 5 quick minutes of number fun for kids and parents at home. Read a cool fun fact, followed by math riddles at different levels so everyone can jump in. Your kids will love you for it. It's a free app on apple or android. It is also web-based at [bedtimemath.org](http://bedtimemath.org)
